

COMFORTABLE SILENCE

D

Liam Lynch

D Bm A D/F# G Em
I wonder why
G D Bm A D/F# G A D
I can't hear you in my life
D Bm A D/F# G Em
I'm not making time
G D Bm A D/F# G A D
There's no space left in my life

Em F#m
I'm just too busy
G Em G A
Always trying to please you with the things that I do

D G
I could sing out loud your praise
Bm
Lift my voice to lift your name
A D/F# G
But what you want from me is found
C
In a comfortable silence
D G
To feel your whisper on my face
Bm A D/F# G
Not wasting time but making space
C D
Comfortable silence

I wonder why
You're not moving in my life
Then I realise
That you're moving all the time

Bm A G
To feel your presence in the air I breathe
The air I breathe
