Every step I take, everywhere I go, Jesus, you are there

Every high and low, in joy and in despair, Jesus, you are there
Even when I doubt, even when I'm scared, Jesus, you are there

In my shout of praise, on my knees in prayer, Jesus, you are there
In my days gone by, and all that is to come, Jesus, you are there

You're the God I trust
You're the God I praise
And you give me all that I need

And you give me peace
And you give me rest
And you give me joy
And you give me all that I need
