

THE BEST IS YET TO COME

Gm **B^b** **C**
As all the wonders of the world show your glory
Gm **B^b** **C**
And all the angels and the saints sing "holy, holy"

Hear the longing of this heart to tell your story

Deep within my spirit cries

Here it comes a - gain, here it comes a - gain
F **Gm**
The start of something new, come and change me
E^b **F** **Gm** **E^b**
Your whisper on the wind, breaking through the din
F **Gm**
Closer than my skin to come and change me

B^b **Gm**
Surrounded by your love
E^b
Words are not e - nough
B^b **F/A** **E^b** **B^b**
The best is yet to come
Gm
On wings that lift me here
E^b
Stronger than my fears
B^b **F/A** **E^b** **(C)**
The best is yet to come

Amazing grace, how sweet the sound, the sound of heaven
Teaching me to live anew, how I want to
Hear your voice cut through the noise of life's confusion
Still my heart and quiet me

Surrounded by your love
Words are not enough
The best is yet to come
On wings that lift me here
Far beyond my fears
The best is yet to come
