

I SING THIS SONG OF LOVE

G

Thomas Bonard

G **C**
Once I set my eyes u - pon You
G **C**
I knew there was no turning back
Em **A9**
Because all of my reasons for living
C **G**
Are written in Your heart

You capture the feelings inside me
With one word or one breath that You breathe
And all that I say and all that I do
It's all for You

G **C**
I sing this song of love
G **C**
I sing this song of love
Em **A9**
I sing this song of love
C **G**
All for You

This fire in my heart oh Lord
Is burning with Your grace
So many tears of joy I've cried
And all to seek Your face

You crown the meek and humble
And You take away the thorns
You write the music of my heart
Jesus Christ, my Lord
