What is it worth

G6 **D/F#**

To go through all this once again

F2

The same old shame?

Am

Consumes me like a fire

G6 **D/F#**

Consumes me like the pouring rain

F2

Can I be changed?

G

Greater love no one could ever show

F

C

No one could ever know or comprehend

G/B **Am**

Where it is found

The miracle baby

The miracle child

King of this earth

Prince of heaven, Prince of peace

No more shame

You consume me like a fire

Consume me like the pouring rain

Yes, I am changed

Am

Hope was lost, but how could it be that

Life was found under the evergreen

A star was born, alive for all to see

God with us, the miracle baby
