

B♭
 I don't know what the future holds
 Gm **Dm**
 But I know you hold it

 I don't know what the day may bring
 Fsus **F**
 But I know who owns it

Tomorrow is another day
 So I'll keep my focus
 Though earthly things may fade away
 You are everlasting

 You are in control
 Gm
 That's all I need to know

 You hold the world in your hands

 Each day of my life is in your plans

Seasons come and seasons go
 F/A **B♭**
But I'm secure in you
E♭ **F**
Seasons come and seasons go

But I'm secure in you, I'm secure in you
 E♭
I'm safe in your hands

So many blessings in my life
 I could never count them
 I see your goodness every day
 I can only thank you

 I am secure, I am secure in you

 I will not be shaken, I am safe in your hands
