 It's funny how everything can seem like a struggle
 Am E/G# F D
 Your head in rainy clouds and your heart in a puddle
 C G Dm C G
 And just one tiny stubborn word can hurt the ones you love the most
 Dm
 When you know you didn't mean it

But you know me, I do this kind of thing all of the time
 C E/G# E D F
You know me better than I know myself

And after all, life doesn't always turn out the way you expect it to, oh no
 Dm F Am
But then again that's the mystery of you

Am E/G# F D
 And what about little things that turn into something
 Am E/G# F D
 How anger can burn inside when it really was nothing
 C G Dm C G
 And you analyse and criticise and empathise too much, oh no
 Dm
 You can't please everybody all of the time

But you know me, I do this kind of thing all of the time
You know me better than I know myself
And after all, life doesn't always turn out the way you expect it to, oh no
But then again that's the mystery of you
